EXPERIENCE

Journal Article Submission System

Vidyasagar University

12/2023 - 02/2024

An article submission system is a platform or software used by publishers, journals, or conferences to manage the process of submitting, reviewing, and publishing articles. It typically includes features such as online submission forms, peer review management, editorial workflows, and communication tools for authors, reviewers, and editors.

YouTube Video and Playlist Downloader

Personal Project Work

03/2024 - 03/2024

Download any YouTube videos in various formats and resolutions with just a few clicks. Whether it's music, tutorials, never miss a moment with our user-friendly interface and lightning-fast download speeds. Experience the convenience of offline viewing and enjoy your favorite content anytime, anywhere.

QuizBoux (Discord App)

Personal Project Work

05/2021 - 05/2021

It's a trivia answer bot for Mimir, Display and HQ for Discord Server using Python.
